With a steadfast commitment to excellence and integrity, we have established ourselves as a trusted name in the security industry.

ENSURING PEACE OF MIND

At **Afroshields247 Security Services Nigeria Limited**, we understand that security is not just about protecting assets but also about ensuring peace of mind.

We leverage the latest technology and best practices to stay ahead of emerging threats and provide solutions that are both effective and

A PARTNERSHIP GROUNDED IN TRUST

Choose **Afroshields247 Security Services Nigeria Limited**, for a partnership grounded in trust, excellence, and a commitment to safeguarding your world. Your safety is our priority, and we are here to protect what matters most to you, 24 hours a day, 7 days a week.

WHO WE ARE

ABOUT US

Afroshields247 Security Services Nigeria Limited is registered with the Corporate Affairs Commission with **RC. No. 1472454** and licensed to operate a Private Guards outfit in line with the Private Guards Company Decree of 1986. We are professionals in preventive and protective security services and risk management.

In providing superior quality services, we are guided by the Afroshields Philosophy.

Our philosophy is based on the principle that security is an investment, which in return must contribute meaningfully to long-term profit. We are able to actualize this by becoming an integral partner in your risk management team.

As a result, we are in a position to fully understand your security requirements and thus be in a better position to foresee and reduce risk, thereby contributing towards establishing a secure and safe working environment where productivity thrives, your assets are secured, and your profit better protected.

OUR OBJECTIVES

Mission

“

To make maximum impact in economical development of the country and the world at large by being up-to-date and prompt delivery of services, no matter the time-frame.

We want to be the top organizations in the world, which we will achieve by hard working sincerity and integrity.

”

Vision

“

To efficiently carry out our services and give the best to our clients.

”

CORE VALUES

- Professionalism.
- Teamwork.
- Prompt Delivery.

SECURITY SYSTEM

GUARD SERVICES

We provide highly trained security personnel to protect your premises and ensure the safety of your employees, customers, and assets. Our guards are vigilant, professional, and equipped to handle a variety of security situations.

We implement strategies to prevent unauthorized access, theft, and data breaches.

SAFETY MANAGEMENT

Our safety management services focus on creating and maintaining a safe working environment. We develop and implement safety policies, conduct risk assessments, and provide training to ensure compliance with safety regulations and standards.

We offer professional escort services to ensure the safe transportation of individuals or valuable goods. Our trained security escorts provide protection and peace of mind during transit.

ELECTRONIC SECURITY

Our electronic security solutions include state-of-the-art surveillance systems, access control, alarm systems, and other electronic devices designed to monitor and secure your property effectively.

K9 KENNEL SERVICE

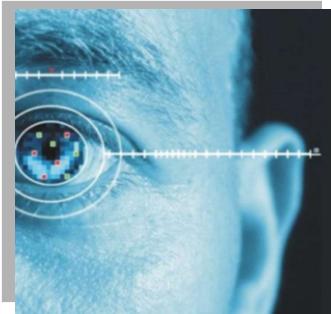

Our K9 Kennel Service offers highly trained security dogs for enhanced protection and detection capabilities. These dogs are trained in areas such as patrol, tracking, and narcotics detection, providing an added layer of security for various settings.

Our kennel ensures that each K9 is well-cared for and maintained in peak condition.

CONSULTANCY TRAINING

Our consultancy and training services are designed to enhance your organization's overall security posture. We provide expert advice, risk assessments, and comprehensive training programs to equip your staff with the knowledge and skills needed to maintain a secure environment.

ASSETS PROTECTION

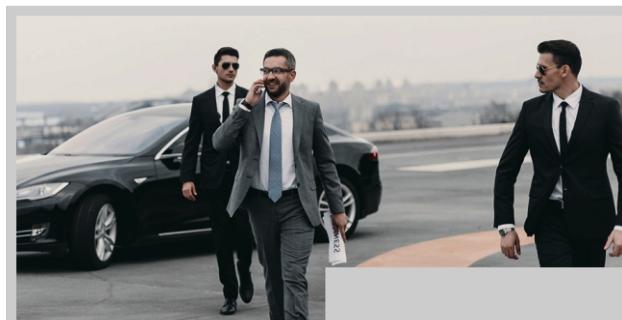

We specialize in safeguarding your valuable assets from theft, vandalism, and other threats. Our asset protection strategies are tailored to meet the unique needs of your business, ensuring the security of your most important resources.

BODYGUARD SERVICE

Our professional bodyguard service provides personal protection for individuals who require an extra layer of security.

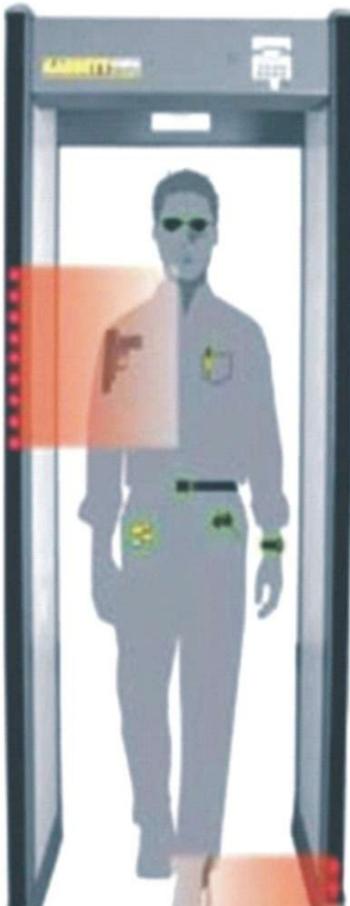

Our highly trained bodyguards are skilled in threat assessment, situational awareness, and defensive tactics, ensuring the safety and peace of mind of our clients.

EQUIPMENT SUPPLY

We provide a comprehensive range of security equipment to meet your specific needs. From surveillance cameras and alarm systems to access control devices and protective gear, our equipment supply service ensures that you have access to the latest and most reliable security technology available.

Our products are sourced from trusted manufacturers and are designed to enhance the overall security of your premises.

Garrett PD6500i

The PMD2 Plus is a zonal Metal Detector characterised by excellent discrimination towards metal personal effects, even when set to high security levels.

Thanks to its advanced technology, the PMD2 Plus is a Metal Detector which allows accurate pinpointing of weapons in transit and a high flow rate.

SECURITY SYSTEM

We provide/install high-quality security system equipments, including CCTV, HD cameras, alarms, access control systems, and other essential security devices.

Your Safety, Our Priority

We have the best security vehicles and intelligent security solutions to enhance our service delivery. Our state-of-the-art fleet and advanced technologies ensure that we provide swift, efficient, and effective security services.

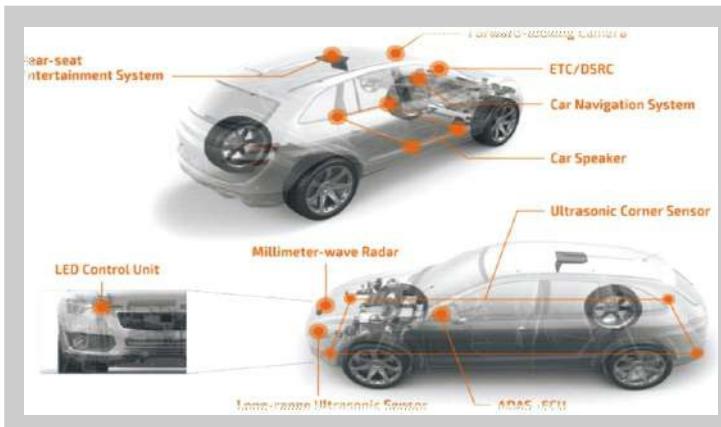

OPERATIONAL VEHICLE

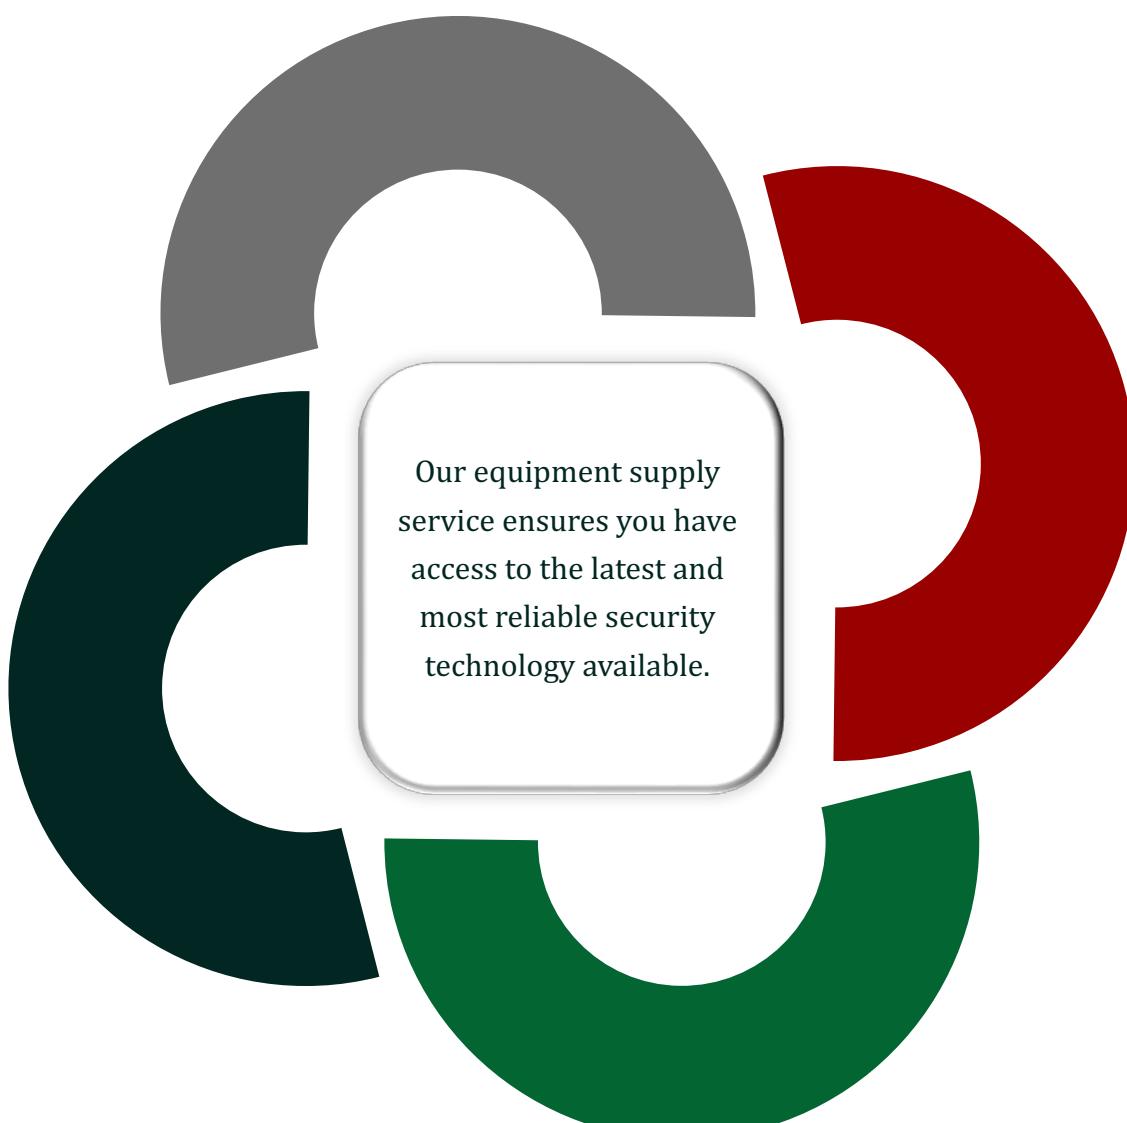

INTELLIGENT SAFETY

Our commitment to excellence and integrity ensures that your safety is always our top priority.

SECURITY PRODUCTS

We provide a comprehensive range of security products to meet our clients specific needs, including surveillance cameras, alarm systems, access control devices, and protective gear.

Our equipment supply service ensures you have access to the latest and most reliable security technology available.

SECURITY PRODUCTS

The Stun Master Mini Badass flashlight stun gun is made of high quality aircraft aluminum and delivers a shocking blow when used as a stun gun, flashlight, or baton. Built to last and to deliver extreme doses of overwhelming electricity.

This Personal pepper spray fits on your keychain so you will always take it with you. Effective up to 8 feet, contain 5 one second burst.

Stun Pen has always been a favorite for the clandestine type. Having an effective means of self defense while not showing off or giving away your defensive secrets is a major plus!

At less than 15 inches long, the Peacemaker 6,000,000 Stun Baton Rechargeable packs a Punch! This rechargeable Mini Night Stick comes with a holster with beltloop for easy carrying.

SECURITY PRODUCTS

This product actually resembles a regular pen, but instead of an ink-filled plastic tube inside the canister, It is filled with a painful dose of high concentrate OC.

The pen knife is a nifty little self-defense item. It looks exactly like any regular pen because it is one, and writes like one, yet it conceals a small and very sharp blade.

Steel filled gloves to enhance your punching power, the police have been using them for years. Now you can have the same advantage.

Use this SURVIVAL KNIFE as an everyday knife or put it in your survival bag and save it for an emergency. It is a fixed blade knife with a nylon cord wrapped handle. It has a finger grip for your index finger and thumb. The cord can be used to tie the knife to a stick to make a spear for.

SECURITY PRODUCTS

Recognizes the smallest changes in air pressure created by opening or closing a door or window within a closed space

The PMD2 Plus is a zonal Metal Detector characterised by excellent discrimination towards metal personal effects, even when set to high security levels. Thanks to its advanced technology, the PMD2 Plus is a Metal Detector which allows accurate pinpointing of weapons in transit and a high flow rate.

All around the world, security guards and police officers are switching from cheap handcuffs to heavy duty nickel plated handcuffs.

If you find yourself in a situation where people are shooting at you, a bulletproof vest may be the piece of equipment that saves your life.

SECURITY PRODUCTS

Once you hang this on your inside handle, if anyone from the outside touches the knob, the alarm will go off and you will know someone tried to enter without knocking

The Knuckle Blaster covers your knuckles and is easy to grip. Just press into your attacker and they'll feel it immediately.

Shoot your attacker from up to 20 feet away with a powerful pepper spray stream. The Pepper Gun gives you an advantage.
